Turn your ginger beer into a Ginger Spider by adding a generous dollop of ice-cream into the top of your glass. Add a dash of Ginger Beer Cordial to your stir-fries for an instant ginger taste, use as a topping drizzled over ice-cream. A nip of Ginger Beer to fruit juice really enhances those fruity flavours. ## COPPERWAVE DISTILLED GIN

Copperwave Distilled Gin is distilled in the traditional London Gin method, but with one major exception. To ensure the absolute balance of the 11+ botanicals, the botanicals are distilled separately in flavour groups, then the various components are blended as would a fine wine. This allows us to ensure a high quality product, and manage seasonal variations of the botanicals.

Copperwave Distilled Gin is styled as an aromatic Gin, and is prepared at the traditional 45% alc/vol. Botanicals: The botanicals include: Juniper, Coriander, Cassia, Cinnamon, Australian Lemon Myrtle, Star Anise, Cardamom, Nutmeg and a selection of three citrus peels.

## ANANAS GIN BAUBLE 50ML

The perfect gift for a Gin lover, they can decorate their tree with something special for Christmas morning. These hand blown glass baubles are each filled with 50ml of Animus' delicious, award winning gin.

44.8% ABV. The advent of a full-time distillery team triggered an explosion of ideas and experimentation and has now spawned a new label: Animus Test Pressing. After months of blood, sweat and Gin at the distillery, we're now able to offer Animus' first Test Pressing: Ananas Gin.

Although pineapple is notoriously hard to capture as a distillate, undeterred, Sarah and Luke played with a recipe to the point where almost three-quarters of the entire botanical load was dedicated to pineapple. Fresh ginger, turmeric and galangal introduce a spicy counterpoint to the sweet, fresh acidity of the pineapple. For complexity there's lemongrass, lemon verbena and kaffir lime--all picked and prepared on the day of production--and ground sesame seeds to enhance the Gin's oily, textural mouthfeel. Finally, to ramp up the total pineapple experience, the flesh and rinds of fresh pineapples were infused in a single 400-litre vat of the Gin for eight months, until there was the perfect balance between distillate and fruit infusion.

Crystal clear and bottled without any additions, it is a restrained, tightly balanced Gin that moves from sweet to spicy to floral and back again: it's perfect neat, pairs brilliantly with tonic and works a treat in cocktails. An unfermented grape juice made from Semillon. The grapes are simply crushed, stabilised, filtered and then bottled. The end product being pure grape juice, unfermented, non-alcoholic and healthy.

Can be used in cooking for deglazing a pan, as a replacement for lemon or vinegar in recipes or as a mixer with soda water to make a refreshing drink.

Verjuice is delicate and lightly sour. Acidic but sweeter than lemon juice, verjuice has a milder quality to it compared to the tang of citrus fruit or the astringent character of fruit vinegar.

## AUDREY WILKINSON 'THE LAKE' SHIRAZ 2021

The 2018 Vintage was the hottest year on record and will be regarded as one of Audrey Wilkinson's greatest years for red wines for the level of fruit intensity, with the Lake Shiraz being the pinnacle. Set next to the spring fed dam near the back gate of the property this shiraz block is referred to simply as 'The Lake'. Floral, fresh fruit aromas lift from this wine with a tightly wound red and blue fruit core on the palate supported with subtle use of French oak for structure and typical Hunter Shiraz notes of dark spice for complexity.

**95 Points | James Halliday Wine Companion**

*"Grown on the old vine Lake block on the estate vineyard, 15% whole-bunch fermented, matured in French puncheons. Lots of gamey, savoury, earthy regional character on the bouquet, but the red berry fruit is the anchor. It's generously built in Hunter terms, ripe and flavoursome, but the palate length and tannin are the outstanding features."* – Steven Creber

## AUDREY WILKINSON CHARDONNAY 2024

The grapes for this wine were sourced from our local growers as well as the historic Audrey Wilkinson vineyard. The grapes were harvested in January and immediately whole bunch pressed, cold settled and 30% of the blend racked to French oak barriques and puncheons and the other portion to tank for fermentation. No secondary malolactic fermentation took place in order to retain fruit freshness. The wine was matured for a 8 months with the barrels stirred fortnightly to enhance texture. The wine was racked and lightly fined with skim milk, filtered and bottled.
